  - Sunrise Tour (Sandrea)
  - Tour of Mystery Valley (cave dwellings and Petroglyphs)
  - Stargazing Tour
  - Hotel: The View Hotel located inside Monument Valley Navajo Tribal Park (MonumentValleyView.com - 435.727.5555)

A vibrant, low-angle shot looking up into the narrow, winding slots of a slot canyon. The walls are composed of smooth, undulating sandstone in shades of orange, red, and pink, with some areas appearing darker and more shadowed. A bright blue sky with wispy white clouds is visible through the opening at the top of the canyon. The lighting creates a warm, golden glow on the rock surfaces.

# Thank you!

Debbie Yazici

Grateful credit given to my future DIL Amita Bhaskaran for helping me put this presentation together!
