OLLI OFFERING:

“The Industrial Revolution, the Wesley family, and the Evangelical Revival.”

Theme: “Wesley practically changed the outlook and even the character of the English nation. ...The Revival so altered the course of English history that it probably saved England from the kind of revolution that took place in France.” (and in the US)

"And can it be"—hymn

And can it be that I should gain

an interest in the Savior’s blood!

Died he for me who caused his pain?

For me, who him to death pursue?

Amazing grace, how can it be

That thou, my Lord, shouldst die for me!
